Top 5 reasons to own more than one Premium Domain Name

Smart businesses dont just own their company name as a .com. They purchase several variations or related names to drive additional traffic to their primary Web site. In fact, buying additional domains for your company can pay off in big dividendsheres why. 1. It cuts marketing costs. A memorable, highly targeted and keyword-rich domain name from the secondary market gets more free, organic search engine traffic. As a result, you spend less money to build traffic than by purchasing often-cos
